Homeschool Planning

1. Chart your subjects

List subjects down the left side, write names of your children across the top. Jot down all subjects you need to teach for each child.

2. Determine curricula

Choose your textbooks and books needed to teach each subject.

3. Determine school calendar

Usually between 34-36 weeks, 4-5 days per week

4. Plot out weekly work

lessons / # school days = weekly workload

5. Gather materials
