How to Use:
Workbox Labels for Homeschool Organization

1. Print labels & numbers. Cut. Laminate if desired.

2. Tape subject labels onto each drawer. (I like to use packing tape)

3. Add Velcro to workboxes (rough side) and numbers (soft side). Add rough side Velcro to the progress chart also.

4. Attach the progress chart to the side of the cart.

5. Load up the drawers!

6. Teach your kids how to use the system. This is a very important step. DO NOT SKIP!

On-task charts

Beside the progress chart, you will find an on-task chart with 4 happy faces.

Clip a clothes-pin on the happy-face when you notice your student staying on-task and focusing well. Aim for I per hour.

Keep a daily tally and have special days when you reach goals.

For example:
30 clips = pajama day
45 clips = hat day
60 clips = crazy sock day
100 clips = ice cream

**Cheerfully
On-Task!**
